

Leandre Keyboards – IDEA – PRODUCE YOUR FAVORITE PLATE

1. Submit your design to me.

Subject

Name of the plate - your name

Body

Information about the plate(TKL, 75%, 60%, 20% etc.)

Why is this layout superior to other layouts?

Who is this layout for?

Material(steel, aluminium)

Thickness(standard 1,5mm)

Mountholes?

Notches?

ANSI/ISO/both

Keyboard Layout Editor editor links, if there are more options for different layouts, please add these to.

Attachments

STP. File of your plate

PNG screenshot of the plate

2. Wait for my approval.

3. I will post the plate on **X** site a long with a voting poll. (Massdrop/PMK style)

4. If you get **X** votes, i will set a MOQ

5. If the MOQ is reached, i will start production and add options to get it cheaper if we sell more.

6. Designer will a get percentage of the revenue, if revenue is made.

Payment options: Paypal (Ain't gonna get this to advanced)
